 - iii. review the effectiveness of budgetary control within the Welsh Assembly Government's Economic Development and Transport Department over Structural Funds and Pathways to Prosperity Funds;
 - iv. review the use of EU funds by the WDA and WTB during the financial years 03/04 & 04/05 in the development of projects;

 - vi. review the role of the Minister for Economic Development and Transport and his officials in the day to day financing of the WDA;
 - vii. consider the impact of Welsh Assembly Government policy on the WDA's financial ability to deliver on key Assembly Government priorities; and
 - viii. make recommendations to the National Assembly on the best ways to conduct the finance functions of the Economic Development and Transport Portfolio after the merger of the WDA and WTB with the Welsh Assembly Government.
