Presiding Officer's Statement on Legislative Competence

Proposed Healthy Eating in Schools (Wales) Measure 2008

In my view the provisions of the proposed Healthy Eating in Schools (Wales) Measure 2008, introduced by Jenny Randerson AM on 14 March 2008, would be within the legislative competence of the National Assembly for Wales.

The Rt. Hon the Lord Elis-Thomas PC AM
Presiding Officer

14 March 2008
