Dear Rhys

Thank you for your recent Written Questions regarding what discussions I have had with the UK Government on the possibility of a UK equivalent of the EU Digital COVID Certificate (DCC) for Outbound International Travel.

The First Minister, officials and I have been in regular contact with the UK government regarding developing the NHS COVID Pass for use by citizens vaccinated in Wales. The Pass can be requested, as a paper solution, by telephoning our Welsh Vaccination Certification Service – this has been available since mid May. We have also delivered a digital solution, from 25th June, further information is available on our Welsh Government website <https://gov.wales/get-nhs-covid-pass-show-your-vaccination-status-travel>.

I hope you find this response helpful.

Yours sincerely
