### **3. Jocelyn Davies (South Wales East)**

Calls on the Welsh Assembly Government, once empowered to do so, to bring forward legislation to:

## **5. Kirsty Williams (Brecon and Radnorshire):**

Add new point at end of motion

Notes with concern that despite 50% less children dying on the roads in Wales this year, this has not been a steady decrease and that numbers fluctuate every year.

Add new point at end of motion:

Recognises the important role speed cameras have to play in improving road safety, whilst at the same time recognising concerns that some cameras are merely placed for revenue generation, rather than improving road safety and calls upon the Welsh Assembly Government to conduct an audit of camera placement to ensure maximum road safety improvements.
