Dear Rhys

I am writing in response to WQ94025: Further to the written statement on 17 September 2024, when will the Minister publish the conclusions of the inquiry into what's working well in terms of trying to eradicate child poverty in Wales?

The Welsh Government published its Child Poverty Strategy in January. The statement on 17 September sets out our approach for evidence from the delivery of funded projects to be captured and shared at the local, regional and national level, helping partners across Wales to learn from one another, as we work together to deliver on our shared ambitions to address child poverty.

Kind regards,
