TOTAL WELSH BUDGET	7,927,194	8,354,376	8,354,376
<p>(1) The figures for 2002-2003 will be subject to review in the Treasury's 2000 Spending Review; for the purpose of this table, they are the 2001-02 figures rolled forward a year. Extreme care should be taken in the interpretation of these figures. Provision for the Capital Modernisation Fund, Invest to Save, Welfare to Work and certain other budgets is not expected to continue into 2002-2003.</p>			
<p>(2) Figures take account of transfers into the local government revenue settlement of £15.090m in 2000-2001 and £35.258m in 2001-2002 for the funding of the restructuring of teachers pay, class size reductions and social inclusion projects.</p>			
<p>(3) These budgets are outside of the National Assembly for Wales' Departmental Expenditure Limit and are therefore not at the Assembly's discretion.</p>			
<p>(4) In accordance with Section 81 of the Government of Wales Act 1998, the funding of the Secretary of State for Wales' Office is met out of the total Welsh Budget before the funding is passed to the National Assembly for Wales.</p>
