Wales Rural Development Programme 2014-2020

A range of support, funding and grant schemes are available under the Wales Rural Development Programme (RDP). These include:

- Sustainable Production Grant Scheme;
- Food Business Investment Scheme;
- Timber Business Investment Scheme;
- Co-operative Forest Planning Scheme;
- Co-operation and Supply Chain Development Scheme;
- Rural Community Development Fund;
- Sustainable Management Scheme.

For further information and details of application windows:

In addition, the Rural Development programme supports LEADER. This is a programme of funding provided to local action groups across Wales to undertake activities related to the core aims of the Wales Rural Development Programme.

Wales Rural Development Programme- Glastir

Glastir is the Welsh Government’s agri-environment scheme. It provides support to improve environmental management by farmers and landowners.

Glastir is made up of several individual schemes. These schemes pay for the delivery of specific environmental goods and services aimed at:

- Combating climate change;
- Improving water management;
- Maintaining and enhancing biodiversity;
- Organic farming; and
Woodland maintenance and creation.

It is designed to deliver measurable outcomes at both a farm and landscape level in a cost effective way. Farmers or landowners need to hold at least 3 eligible hectares of land and be registered with the Rural Payments Wales.
