**Notes:**

1. This table content and format complies with the Section 125(1)(c) and 126(2)(c) of the Government of Wales Act 2006 (“the Act”) which states that for the purposes of authorising the motion there shall be a statement authorising ‘the amount which may be paid out of the Welsh Consolidated Fund in the financial year to the relevant persons, or for use pursuant to a relevant enactment, for the purposes so specified’. Payments made out of the Welsh Consolidated Fund are made in cash, therefore this table shows the relevant cash requirements in support of the resources requested in support of Schedules 1 to 4 which state the relevant purposes for which resources may be used.
2. This table content and format also complies with Standing Order 27.19(v), which states that the budget motion must include a reconciliation between the resources to be authorised under section 125(1)(a) and (b) of the Act and the amounts to be authorised for payment out of the Welsh Consolidated Fund under section 125(c) of the Act.

3. Both of these tables are presented under S126 of the Act and SO27.22 showing variations to the resources allocated in the Annual Budget Motion and the amounts to be paid out of the Welsh Consolidated Fund.
