Dear Andrew,

I write in response to WQ81866: Will the Minister provide a breakdown of the recipients of the Oxford AstraZeneca COVID-19 vaccine, including the numbers of care homes residents, care home staff, frontline NHS staff, backroom NHS staff, people over 80 outside of a care home setting who have been vaccinated?

The latest figures for the Oxford AstraZeneca vaccine for 5 February are broken down in this way and are as follows:

Care home residents: 11,814
Care home staff: 4,557
Frontline health and social care workers: 4,812
Over 80s: 133,206

Paper records may still need to be entered at the time of data extraction and reporting. Actual numbers vaccinated will be higher and updated in future reports.

Yours sincerely,
