Inquiry into school sun protection policy (Spring 2012)

On 04 October 2011 the National Assembly for Wales Petitions Committee received this petition from the cancer charity Tenovus:

“We call upon the National Assembly for Wales to urge the Welsh Government to provide free sunscreen for all children under the age of 11 in Wales.”

This petition was referred to the Children and Young People Committee for consideration. As a result, the Committee decided to hold a short inquiry into school sun protection policy, which looked not only at the availability and use of sunscreen, but also at other sun protection issues such as the provision of shade in schools and the wearing of suitable clothing whilst outdoors.

- Parent group representative.
- Dermatologist (skin specialist).
- Sun cream manufacturer.
- Health and Social Services Minister.

- Disabled children and young people;
- Children and young people from marginalized groups such as the Traveller Community.

01. Consider the barriers faced by the above when accessing play areas and safe places to hang out.

- Bridgend Children and Young People's Partnership.
