31 July 2009

Dear Alun,

During Oral Assembly Questions on 8 July, you asked about progress on the Welsh Assembly Government's policy agenda for laptops in schools.

The funding allocated to the project is £300,000 in 2009-10 and I will shortly be looking at detailed proposals for this investment.

In your question to Andrew Davies, you made specific mention of the pilot scheme in Victoria School, Abersychan. This scheme was funded through the Heads of the Valley Regeneration Programme and we know that there are many other laptop projects already running throughout Wales. As part of our One Wales commitment, we will draw together the lessons from the different approaches taken in schemes working in Wales and elsewhere.

I hope this is helpful.

Y  
Llun.

Jane
