Dear Andrew RT Davies MS,

You asked two Written Questions (WQ90083, and WQ90084) for answer on 14<sup>th</sup> December which were not responded to along with the rest of the Assembly Questions, and I indicated that I would write to you with my response.

Specifically, the questions you asked related to the timescale for the analysis of work being undertaken into planning delays for housing and whether local planning authorities would be involved in this work. These were supplementary questions to WQ89993.

In response to these questions I am writing to inform you that the analysis is being conducted with the full co-operation and input from local planning authorities. We will look to complete the analysis as soon as possible following the receipt of additional information from local planning authorities.

Yours sincerely

**Julie James AS/MS**  
**Y Gweinidog Newid Hinsawdd**  
**Minister for Climate Change**
