Mae'r Cynulliad yn gresynu at Wiliam Hauge AS am na wnaeth wrthwynebu ag unrhyw arddeliad y safiad rhagfarnllyd a hiliol a gymerwyd gan nifer o Aelodau Seneddol y Blaid Geidwadol, sy'n tanseilio'n ddifrifol natur amddiwylliannol Cymru.

This Assembly deplores William Hague MP in his failure to stand-up with any conviction to the bigoted and racially intolerant stance taken by a number of the Conservative Party's MP's, which severely undermines the multiculturalism of Wales.

Mae'r Cynulliad hwn yn credu bod gan bobl ifanc Cymru gyfraniad allweddol i'w wneud wrth wella'r gymuned yng Nghymru ac mae'n cefnogi datblygu Senedd Ieuenctid Cymru, dan arweiniad pobl ifanc Cymru a chyda chefnogaeth Dyfodol Ieuenctid. Dylai'r sefydliad hwn roi'r cyfle i bobl ifanc Cymru ddod yn ddinasyddion brwd a dylanwadu ar bolisiau'r llywodraeth, sy'n effeithio arnynt.

This Assembly believes that young people in Wales are key to making a better society in Wales and supports the development of a Welsh Youth Parliament, led by young people in Wales and supported by Dyfodol Ieuenctid. This organisation should offer young people in

Wales the opportunity to become active citizens and impact on government policies, which affect them.

Mae'r Cynulliad hwn:

- *Yn gresynnu am weithredoedd yr Adran Amgylchedd, Trafnidiaeth a'r Rhanbarthau (DETR) yn comisiynu treialon cnydau a addaswyd yn enetig yn sir y Fflint a sir Benfro, yn enwedig o gofio polisi clir y Cynulliad ar gnydau GM*
- *Yn credu bod y gweithredoedd hyn yn ansensitif, ac o bosibl yn anghy frifol ar adeg o argyfwng amaeth a chynfyngiadau ar symud yng nghefn gwlad*
- *Yn galw ar y DETR a'r ffermwyr sy'n cymryd rhan i dynnu allan o'r arbrofion hyn cyn i'r cnydau gael eu plannu.*

This Assembly:

- *Regrets the actions of the Department of the Environment, Transport and the Regions in commissioning trials of genetically modified crops in Flintshire and Pembrokeshire, particularly in view of the clearly stated policy of the Assembly on GM crops*
- *Believes that these actions are insensitive and potentially irresponsible at a time of agricultural crisis and restrictions on movement in the countryside*
- *Calls on the DETR and the farmers involved to pull out of these experiments before the crops are planted.*
