Dear Assembly Member

Further to my questions in plenary this week, I am writing to update you regarding our plans for improvements to Five Mile Lane.

My officials have been working closely with the Council to finalise a grant offer letter that is agreeable to all parties.

An official offer of £25.8 million has now been issued to the Council which we are very hopeful of them accepting.

If the grant offer is accepted, statutory processes and appointment of an Employer's Agent should commence before the end of the year, and a contractor appointed in 2016.
