Dear Paul,

I am writing to you in relation to the Written Question you tabled in relation what assessment the Welsh Government has made of the impact of the COVID-19 pandemic on consumer behaviour.

We have strong links with all the sectors in my portfolio, including retail, tourism and hospitality, with regular engagement on issues relating to consumer behaviour.

Our coronavirus regulations and guidance are in place to support our sectors and ensure they operate effectively and safely. In addition, our Wales Promise “Addo” campaign supports this by encouraging positive consumer behaviour and encouraging people to make a collective promise to play their part in keeping Wales safe.

Public Health Wales has carried out an engagement survey on health and wellbeing during coronavirus measures. A link to which can be found here:

Yours sincerely,

Vaughan Gething AS/MS
