These Regulations amend the National Health Service (Charges to Overseas Visitors) Regulations 1989 ("the principal Regulations"), which provide for the making and recovery of charges for relevant services provided under the National Health Service (Wales) Act 2006 (c. 42) to certain persons not ordinarily resident in the United Kingdom.

Regulation 3 inserts regulation 4E into the principal Regulations to provide that persons who are within the scope of the SSC Protocol provisions of the Trade and Cooperation Agreement are able to receive relevant services without charge where there is a right arising from the agreement.

Regulation 4 inserts Ireland and Norway into the list of countries in Schedule 2 to the principal Regulations, meaning that no charges may be made or recovered in respect of relevant services provided to an overseas visitor where the provision of those services is covered by that reciprocal agreement.

The Welsh Ministers’ Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, a regulatory impact assessment has been prepared as to the likely costs and benefits of complying with these Regulations. A copy can be obtained from the Department of Health and Social Services, Welsh Government, Cathays Park, Cardiff, CF10 3NQ.
The Welsh Ministers make these Regulations in exercise of the powers conferred by sections 124 and 203(9) and (10) of the National Health Service (Wales) Act 2006(1).
