About the role

Business Management and Administration

Jobs in Business Management and Administration are responsible for the provision of managerial, specialist and administrative support at a level appropriate to the grade. The work undertaken may include providing secretarial, clerical and administrative support; implementing policy and processes; providing specialist / expert advice and support for example in relation to finances or people management; leadership and project management.

The key characteristics are:

- Develop and maintain relationships that support internal and external networks.
- Represent the work area at meetings.
- Coordinate the workflow and outcomes of a small team performing related tasks.
- Undertake research and analysis in relation to Member or office activity.
- Higher grades likely to contribute to the setting of the direction of work priorities and practices, monitoring workflow and identifying training needs for lower levels.
- Assist in the management of corporate functions including human resources, property, health and safety and data protection.
- Prepare correspondence and reports including emails and letters on routine and more complex matters.
- Undertake or oversee buildings management services.
- Assist in contract management and administration.
- Assist in and support staffing processes.

Purpose of the job

A **Band 3 Business Management and Administration Officer** working for a Member of the Senedd would typically be responsible for assisting with all aspects of running the Member's office including providing administrative support directly to the Member.
