Making Manifestos: Ballot paper

A ballot paper is what people use to vote during an election. It lists the names of the candidates or choices, and you mark the one you want to vote for.

Use the sheets in this pack to design the ballot paper for your class election.

Instructions

Print out the activity sheets you want to use.

There are versions for different class sizes.

Once your class have agreed on its parties, and who is standing, complete one of the ballot papers with the:

- Party name
- Candidate name
- Party logo

Photocopy this paper so you have enough for the class to use for the election.
