ADRODDIAD GAN Y PWYLLGOR DEDDFAU

LEGISLATION COMMITTEE REPORT

The Review of Children's Cases (Wales) Regulations 2007

These Regulations revoke and replace in relation to Wales the Review of Children's Cares Regulations 1991. They make provision for the review of arrangements for the placement of children who are looked after by local authorities or accommodated by voluntary organisations or private children's homes.

Standing Order 11.7

The following points have been identified for reporting under Standing Order 11.7.

The English text of the definition of "the area in which the child is ordinarily resident" contains gender specific language as do paragraphs 2 and 3 of Schedule 3. [Standing Order 11.7(vii)].

The Welsh text of paragraph 5 of Schedule 2 omits wording relating to the transitional provision applicable to children accommodated under the Arrangements for Placement of Children (General) Regulations 1991. [Standing Order 11.7(v)]

In the Welsh text of Schedule 3, the term "oral health" is translated as "iechyd geneuol" on paragraph 1 and as "iechyd y geg" in paragraph 8. Consistency of terminology is desirable. [Standing Order 11.7(v)]

All of the above mentioned points may be corrected by Memorandum of Correction.
