Source: HESA student record 2004/05 to 2006/07

Note: Numbers of enrolments shown are based on a full-person equivalent. This means that where an enrolment is studying for more than one subject, the enrolment is proportioned between the subjects studied. In most cases, PGR enrolments are studying in only one subject group.

PGR enrolments at UK HEIs by subject of study, 2004/05 to 2006/07, proportion by domicile

| Year         | Subject of study group                | HEIs in: | Percentage of PGR enrolments from the UK |            |            |            |            | Percentage of PGR enrolments from outside the UK |            |            |            |            |
