Dear Janet,

I am writing in response to your written question WQ96659 regarding Welsh Government support for Aberystwyth School of Veterinary Science during the last three financial years.

Welsh Government supported the establishment of the Bovine TB Centre of Excellence at Aberystwyth University, with funding awarded under the Sêr Cymru II scheme across four years from 2018/19 – 2021/22. Welsh Government's match funding totalled £1.034m.

Welsh Government has also provided support to the School of Veterinary Science to support the Seren Academy summer school.

Yours sincerely,

Vikki Howells AS/MS
