Dear Andrew

I am writing in response to your written question WQ89004 - Will the Minister confirm what the funding for three English local authorities, in relation to the 20mph rollout, will be spent on?

The grants were provided to the three English border authorities to cover the cost of traffic regulation orders; to supply, install and remove signs and lines; design costs; staff costs and surfacing works, so that 20mph speed limits are consistent through border settlements.

Yours sincerely
