Dear Siân,

On 27 January, in WQ84298, you asked when will full COVID passes, that provide formal evidence of vaccination status and previous COVID positive results, be available for young people aged 12-16

I am writing to inform you that The Youth Pass is now available and further information can be found here [Get your NHS COVID Pass | GOV.WALES](#).

With regard to test results, Recovery Passes are also included for International Travel where the PCR tests were undertaken in the English public health laboratory system, this applies to 70% of tests. The remaining 30% are undertaken in the equivalent system in Wales, and focus primarily on NHS employees and patients in healthcare settings; we are working with UKHSA, NHSX and NHS Digital to arrange the inclusion of these tests. We will update our website when this is available.

Yours sincerely,

Eluned Morgan AS/MS
