Dear Paul,

I am writing in response to WQ93811: *What is the Welsh Government doing to support Young Farmers in Pembrokeshire?* I am sorry for the delay in providing a substantive response.

The Welsh Government continues to provide support for young farmers throughout Wales through programmes such as Farming Connect and Start to Farm (formally known as Venture). All eligible young farmers are also able to apply for any agricultural support schemes, as they become available.

Supporting young farmers is also a consideration in the ongoing work to develop the Sustainable Farming Scheme.

Yours sincerely,

Huw Irranca-Davies AS/MS
