Dear Darren,

I am writing in response to WQ80371: How many patients, per local health board, were discharged from hospital into care homes without being tested for Covid-19 in each week since 1 March 2020?

Since the 16 May, all people being discharged from hospital to live in care homes regardless of whether or not they were admitted to hospital with Covid-19 have been routinely tested.

However, the Welsh Government do not record that information specifically and we are therefore unable to provide this information.

Yours sincerely,

A handwritten signature in black ink that reads "Vaughan Gething".
