Dear Andrew

I'm writing in response to WQ81413: Will the Minister provide a figure for the number of recorded coronavirus transmissions that have taken place in indoor gym facilities in Wales.

Through our Test, Trace, Protect system all new cases of Covid-19 are contacted by contact tracers. Contact tracers gather details of close contacts who are asked to self-isolate. Contact tracers also aim to understand where people may have been exposed to the virus to enable the identification of case clusters. It is not possible for them to pinpoint an exact place of transmission

Yours sincerely,
