Dear Janet,

I'm writing in response to WQ81548: Further to WQ81264, will the Minister state what measures are being taken to reduce the number of C. difficile cases at Betsi Cadwaladr University Health Board?

All infections are taken very seriously and Betsi Cadwaladr University Health Board has taken a range of appropriate actions to reduce and prevent further cases of C difficile. These include investigation of each case, adherence to antibiotic guidelines and implementation of rigorous infection prevention and control (IPC) measures.

Yours sincerely,
