Dear Helen,

I'm writing in response to WQ80163: As part of a test, trace and isolate policy, is the Welsh Government proposing that every contact of a suspected or confirmed coronavirus case should isolate for 14 days?

As set out in the Written Statement of the 26 May on Test, Trace, Protect, we will implement contact tracing on a phased basis developing and learning as we go.

From 1 June, we will implement population contact tracing on receipt of a positive test result. Individuals identified as having been in close contact with a positive case will be asked to self-isolate for 14 days.

Yours sincerely,

Vaughan Gething AS/MS
